

GOLD COLLECTION

DAPHINE - DAPHINE TERRA

/ Tommaso Cimini

FLO DESK - FLO FLOOR

/ Foster+Partners

Daphine and Flo, two of our most important icons, are now enriched with a new special semi-gloss brushed “yellow Gold” finish, which lends them uniqueness and prestige.

The special gilding treatment, which accentuates the brilliance of the finish, is certified to contain a thin film of pure 24-carat Gold applied by electrochemical deposition.

The new Gold finish is available in Table and Floor versions.
